

IT/CS Senior Project Contribution Form

Senior project is normally a group effort over two semesters, where each group member should contribute approximately equal effort to the entire project. Use this form to summarize the contributions of each group member and indicate the approximate percent that they contributed to the project. This form may be used to determine allocation of grades to individual group members.

This completed form, signed by all students and advisor, must be submitted to the project coordinator before your final presentation.

Group Number: _____

Project Title: _____

Advisor: _____

Name of student 1: _____

Summary of contributions:

Percent: _____ % Signature: _____ Date: _____

Name of student 2: _____

Summary of contributions:

Percent: _____ % Signature: _____ Date: _____
